2020 for people selected in Indian Forest Service Examination, 2019 and writing Civil Services (Mains) Examination, 2020

Respected Sir,
I requested for an Extension to join the Professional Training Course 2020-22 in an email dated 2nd October, 2020 so that I could write Civil Services (Mains) Examination, 2020. It was because the tentative date for the start of Professional Training I knew at the time was 21st December, 2020, which was before the Civil Services (Mains) Examination, 2020 beginning on the 7th January, 2021. Hence I chose to take an Extension to join the Professional Training and I did not register myself for the course.

Now, I have come to know that my batchmates, who did not opt for Extension but are writing Civil Services Mains, 2020 have requested to join Professional Training Course 2020-22 after Civil Services Mains, 2020 through an EOL for the exam duration.

Hence, it is my humble request that in case IGNFA decides to extend the joining date of Professional Training Course 2020-22 after Civil Services (Mains) Examination, 2020 for people selected in Indian Forest Service Examination, 2019 who are writing Civil Services (Mains) Examination, 2020, then I may also be allowed to amend my request for an Extension and register myself for Professional Training Course 2020-22, so that I am not at a disadvantage in my career. I would humbly request you to consider my case on compassionate grounds since this has been an uncertain year due to Covid-19.

Thanking You.

Respected Sir,

In continuation to my request (for grant of leave for Civil Services Main Examination, January’21) through email on 30/11/2020, I would like to inform the decision taken by SVPNPA (Sardar Vallabhbhai Patel National Police Academy) for probationers of All India Service of IPS in similar situated cases.

All trainees have to join on 28th Dec.
Among them, those appearing for Mains in Jan’21 have to join online & apply for EOL from 29th Dec’20 to 20th Jan’21. While others have to be physically present.

https://email.gov.in/h/printmessage?id=C:-5683&tz=Asia/Kolkata&xn=1
Sir, since IFS is also an All India Service, the decision taken by SVPNPA for IPS Probationers may also please be considered in our similar situated case.

Subject- Regarding appearing for Civil Services Examination 2020 while undergoing Professional Training Course 2020-22 at IGNFA

Ref: Letter number. 1367/NFA-2020/70.21(2018-20 course) by Additional Director, IGNFA to DIG, Forests (RT), MoEFCC dated 24.11.2020 received via email dated 27.11.2020

Respected Sir,

With reference to the above mentioned letter, I would like to draw your kind attention to the peculiar situation where the CSE Mains-2020 examination schedule is clashing with the schedule of Professional Training Course at IGNFA. Under normal circumstances, CSE Mains exam happens before the start of the professional course at IGNFA. In such cases, candidates used to opt for exemption from Foundation Course in order to write the Civil Service(Mains) exam, resulting in no contradiction between training schedule and exam schedule. However, This year's CSE Mains examination got delayed due to exceptional circumstances prevailing amidst COVID pandemic.
In this regard, I, Revti Raman, candidate of IFS Exam 2019 would like to request you to consider following situation:-

- I have already cleared the Civil Services (Preliminary) Examination, 2020 and wish to appear for the Civil Services (Mains) examination, 2020. My attempt towards the Civil Service Examination is in pursuit of the common goal of devotion to Public Service.
- That in the offer of appointment of IFS officers, I was asked to opt either extension of one year in joining or seek exemption from attending 95th Foundation course by 20/10/2020. Accordingly I sought exemption from the 95th foundation course. Further as per the instructions from IGNFA, I got myself registered in time for the professional course at IGNFA.
- That I have already made 6 attempts in UPSC CSE Examination, and given the family circumstances (Retirement of my father in January 2020 and his End Stage Renal Disease), I am facing a Moral Dilemma in delaying my employment for ONE more year. Thus, with your kind permission, I wish to write CSE Main Exam 2020, without taking ONE year extension.
- After having gone through the probation rules, I humbly believe that a probationer may be allowed to write the Civil Service Exam while undergoing Professional training in IGNFA. Hence, your goodself is politely requested to allow me leave during the examination period.
- Further, there are about 15 candidates of IFS Exam, 2019 who are facing similar situations.
- Some central services academies like of IAS&IS are giving their probationers relaxation for writing Civil Services Mains Examination, 2020. Hence, I also request the leave during examination on compassionate grounds.
- Since COVID-19 pandemic is an exceptional circumstance which is unlikely to reoccur, it is highly improbable that there will be a clash between exam schedule and training schedule in future. Thus, allowing me to appear in the Civil Service Mains 2020 exam will not have any long term consequences for the effectiveness of training delivery.
- In the short term, I commit to redouble my effort to recover the loss of studies during the leave period ensuring that it doesn't have an adverse impact on my training effectiveness. I have taken exemption from the foundation course in order to prepare for the CSE Mains 2020 examination. I am looking forward to joining the professional training at IGNFA. I assure you of my sincere commitment to the training and public service.

In the wake of unforeseen circumstances arising due to COVID-19 pandemic, I request you to treat this case compassionately and kindly consider my submission to grant a leave for the exam duration (06.01.2021 to 18.01.2021). I shall be obliged for this kind consideration.

Thanking You.

- There are 6 candidates from IFS Exam, 2018 who have already availed extension of one year from Professional course at IGNFA. Hence they will have to join the Professional Training Course 2020-22 as there are no provisions of extension beyond one year. (List of such candidates is as provided below in box)
- Further, there are 14 candidates of IFS Exam, 2019 who have also registered for Professional course 2020-22 and wish to appear for Civils Services Mains,2020. - Further, there are some candidates who are giving their last attempt of Civil Services Examination and as their attempt has already been counted after attempting prelims, they will be denied the opportunity to give examination in future. It is my humble request to consider their special request on ground of compassion and fairness.
- I have also resigned from my previous job to join the Professional Training Course 2020-22 at IGNFA. And further taking one year extension would render me unemployed. There are few more such

Respected Sir,

With reference to the letter and subject cited above, I want to humbly and respectfully draw your kind attention to the present situation where the Civil Services (Main) Examination 2020 is scheduled to be held during the training period for IFS batch 2020 at IGNFA. Under normal circumstances, CS (Main) Examination is conducted before the start of the professional course at IGNFA. However, this year’s CS (Main) Examination has got delayed due to the exceptional circumstances prevailing amidst COVID-19 pandemic.
In this regard, I would like to humbly request you to kindly consider following facts and grant me permission to appear for Civil Services (Main) Examination 2020 after joining training at IGNFA for IFS Batch 2020 -

1. I have already cleared the Civil Services (Preliminary) Examination, 2020 and wish to appear for the Civil Services (Main) examination, 2020.
2. In the offer of appointment, I was asked to opt for either extension of one year in joining or seek exemption from attending 95th Foundation course. Accordingly I sought exemption from the 95th foundation course. Further as per the instructions from IGNFA, I registered in time for the professional course for IFS Batch 2020 at IGNFA.
3. I have been under the impression that one is allowed to appear in the Civil Services (Main) Examination during the training at IGNFA. This was one of the reasons for seeking exemption from the 95th Foundation Course. If IGNFA will not permit me to appear in the CS (Main) exam 2020, my withdrawal from the 95th Foundation Course will become futile.
4. In the short term, I commit to put in extra efforts to cope with the missed class work and ensure that my absence will not have any impact on my training effectiveness.
5. Further, this is my last attempt in Civil Services Examination and as my attempt has already been counted after appearing in prelims, I will be denied the opportunity to give examination in future. It is my humble request to consider my case on the grounds of compassion.
6. Also, I have already resigned from my previous government job to join the Professional Training Course 2020-22 at IGNFA. And taking the one year extension would render me unemployed for 1 year and this will cause financial difficulties for me and my family.
7. There are about 15 candidates of IFS Exam, 2019 who have registered for Professional course 2020-22 and also wish to appear for Civil Services (Main) Examination, 2020. They do not seek the 1 year extension and are looking forward to joining the IFS batch 2020 training as per schedule. (List of such candidates has been mentioned in the box below)
8. There are about 5 candidates from IFS Exam, 2018 who have already availed extension of one year from Professional course at IGNFA and any further extension for them may be difficult. (List of such candidates is as provided below in box)
9. Some Central Service Training Academies like National Academy of Audit and Accounts, Shimla have given their probationers relaxation for writing Civil Services Mains Examination, 2020. Hence, I also request grant of leave during examination on compassionate grounds.

I had taken exemption from the 95th foundation course to appear in Civil Service (Preliminary) Examination 2020 and to prepare for Civil Service (Main) Examination 2020. I am looking forward to joining the professional training for IFS batch 2020 at IGNFA. I assure you of my sincere commitment to the training and public service.

In the wake of unforeseen circumstances created due to COVID-19 pandemic, I request you to treat this case compassionately and kindly consider my submission and grant me leave from 06.01.2021 to 18.01.2021. I will be highly obliged for this kind consideration.

Thank You,

Yours sincerely,
Lokesh Bhardwaj

Respected Sir,

With reference to the letter cited above, I would like to draw your kind attention to the situation where the CSE Mains-2020 examination is scheduled to be held during the training period at IGNFA. Under normal circumstances, CSE Mains exam happens before the start of professional course at IGNFA. In such cases, candidates used to opt for exemption from Foundation Course in order to write Civil Service(Mains) exam, resulting in no contradiction between training schedule and exam schedule. However, This year’s CSE mains exam got delayed due to exceptional circumstances prevailing amidst COVID pandemic.

In this regard, I, Koppula Santosh Kumar, candidate of IFS Exam 2019 would like to request you to consider following points:

- I have already cleared the Civil Services (Preliminary) Examination, 2020 and wish to appear for the Civil Services (Main) examination, 2020.
- In the offer of appointment, I was asked to opt either extension of one year in joining or seek exemption from attending 95th Foundation course. Accordingly I sought exemption from the 95th foundation
course. Further as per the instructions from IGNFA, I registered in time for the professional course at IGNFA.

- I have been under the impression that one is allowed to appear in the CSE Mains exam during the training at IGNFA. This is one of the reasons for me to seek exemption from the 95th Foundation Course. In the case of the Academy not permitting me to appear in the Mains exam, my withdrawal from the FC becomes futile.
- In the short term, I commit to put in extra efforts to cope with the missed class work and ensure that my absence will not have any impact on my training effectiveness.
- Further, this is my last attempt in Civil Services Examination and as my attempt has already been counted after appearing in prelims, I will be denied the opportunity to give examination in future. It is my humble request to consider the special request on the grounds of compassion.
- There are 6 candidates from IFS Exam, 2018 who have already availed extension of one year from Professional course at IGNFA. Hence they will have to join the Professional Training Course 2020-22 as there are no provisions of extension beyond one year. (List of such candidates is as provided below in box)
- There are 15 candidates of IFS Exam, 2019 who have also registered for Professional course 2020-22 and wish to appear for Civils Services Mains, 2020. They do not seek exemption and are looking forward to join the training and put all their efforts on completing it with flying colors) And they do not wish to take extension of one year. (List of such candidates has been mentioned in the box below)

I have taken exemption from the foundation course in order to prepare for CSE Mains 2020 examination. I am looking forward to joining the professional training at IGNFA. I assure you of my sincere commitment to the training and public service.

In the wake of unforeseen circumstances arising due to COVID-19 pandemic, I request you to treat this case compassionately and kindly consider my submission to grant a leave for the exam duration (06.01.2021 to 18.01.2021). I will be highly obliged for this kind consideration.

Ref: Letter number: 1367/NFA-2020/70.21(2018-20 course) by Additional Director, IGNFA to DIG, Forests (RT), MoEFCC dated 24.11.2020 received via email dated 27.11.2020

Respected Sir,

With reference to the letter cited above, I would like to draw your kind attention to the situation where the Civil Services Examination (CSE) Mains-2020 is scheduled to be held during the training period. Under normal circumstances, CSE Mains exam happens before the start of professional course at IGNFA. In such cases, candidates used to opt for exemption from Foundation Course in order to write the Civil Services(Mains) exam, resulting in no contradiction between training schedule and exam schedule. However, this year's CSE mains exam got delayed due to exceptional circumstances prevailing amidst COVID pandemic.
In this regard, I, Pooja Nagle, candidate of IFS Exam 2019 would like to request you to consider following points:

- I have already cleared the Civil Services (Preliminary) Examination, 2020 and wish to appear for the Civil Services (Mains) examination, 2020.
- That in the offer of appointment of IFS officers, I was asked to opt either extension of one year in joining or seek exemption from attending 95th Foundation course by 02/10/2020. Accordingly, I sought exemption from the 95th foundation course. Further, as per the instructions from IGNFA, I got myself registered in time for professional course at IGNFA.
- After having gone through the probation rules, I believe that one is allowed to write the Civil Services Exam while undergoing Professional training in IGNFA. Hence, I humbly request you to allow me the required leave during the examination period.
- There are 15 candidates (including me) of IFS Exam, 2019 who have registered for Professional Course 2020-22 and wish to appear for Civil Services Mains, 2020. They do not seek exemption and are looking forward to join the training and put all their efforts on completing it with flying colours. And, they do not wish to take an extension of one year. (List of such candidates has been mentioned in the box below)
- Further, there are 7 candidates from IFS Exam, 2018 who have already availed extension of one year from Professional course at IGNFA. Hence, they will have to join the Professional Training Course 2020-22 as there are no provisions of extension beyond one year. (List of such candidates is as provided below in box)
- Some central services academies like of IA&AS are giving their probationers relaxation for writing Civil Services Mains Examination, 2020. Hence, I also request the leave during examination on compassionate grounds.
- Since COVID-19 pandemic is an exceptional circumstance which is unlikely to reoccur, it is highly improbable that there will be a clash between exam schedule and training schedule in future. Thus, allowing me to appear in the Civil Service Mains 2020 exam will not have any long-term consequences for the effectiveness of training delivery.
- In the short term, I commit to redouble our effort to recover the loss of studies and this will not have any adverse impact on our training effectiveness.
- Further, there are some candidates who are giving their last attempt of Civil Services Examination and as their attempt has already been counted after attempting prelims, they will be denied the opportunity to give examination in future. It is my humble request to consider their special request on the grounds of compassion and fairness.

I have taken exemption from the foundation course in order to prepare for the CSE Mains 2020 examination. I am looking forward to joining the professional training at IGNFA. I assure you of my sincere commitment to the training and public service at large.

Respected Sir/Madam,

With reference to the letter cited above, I would like to draw your kind attention to the situation where the CSE Mains-2020 examination is scheduled to be held during the training period. Under normal circumstances, CSE Mains exam happens before the start of professional course at IGNFA. In such cases, candidates used to opt for exemption from Foundation Course in order to write Civil Service (Mains) exam, resulting in no contradiction between training schedule and exam schedule. However, this year’s CSE mains exam got delayed due to exceptional circumstances prevailing amidst COVID pandemic.

https://email.gov.in/n/printmessage?id=C:-5645&tz=Asia/Kolkata&xim=1
In this regard, I, Wayal Swapnil Anirudha, candidate of IFS Exam 2019 would like to request you to consider following points-

- I have already cleared civil Services (Preliminary) Examination, 2020 and wish to appear for the Civil Services (Mains) examination, 2020.
- I have also resigned from my previous job to join the Professional Training Course 2020-22 at IGNFA. And further taking one year extension would render me unemployed. There are few more such similarly situated candidates.

- That in the offer of appointment of IFS officers, I was asked to opt either extension of one year in joining or seek exemption from attending 95th Foundation course by 02/10/2020. Accordingly I sought exemption from the 95th foundation course. Further as per the instructions from IGNFA, I got myself registered in time for professional course at IGNFA.
- After having gone through the probation rules I think one is allowed to write Civil Service Exam while undergoing Professional training in IGNFA. Hence I humbly request you to allow me leave during the examination period.
- Since COVID-19 pandemic is an exceptional circumstance which is unlikely to reoccur, it is highly improbable that there will be a clash between exam schedule and training schedule in future. Thus, allowing me to appear in Civil Service Mains 2020 exam will not have any long term consequences for the effectiveness of training delivery.
- In short term, I commit to redouble my effort to recover the loss of studies and this will not have any adverse impact on my training effectiveness.
- Further, there are 15 candidates of IFS Exam, 2019 who have also registered for Professional course 2020-22 and wish to appear for Civils Services Mains, 2020. They do not seek exemption and are looking forward to join the training and put all their efforts on completing it with flying colors) And they do not wish to take extension of one year. (List of such candidates has been mentioned in the box below)
- There are 7 candidates from IFS Exam, 2018 who have already availed extension of one year from Professional course at IGNFA. Hence they will have to join the Professional Training Course 2020-22 as there are no provisions of extension beyond one year. (List of such candidates is as provided below in box)
- Further, there are some candidates who are giving their last attempt of Civil Services Examination and as their attempt has already been counted after attempting prelims, they will be denied the opportunity to give examination in future. It is my humble request to consider their special request on ground of compassion and fairness.
- Some central services academies like of IA&AS are giving their probationers relaxation for writing Civil Services Mains Examination, 2020. Hence, I also request the leave during examination on compassionate grounds.

I have taken exemption from the foundation course in order to prepare for CSE Mains 2020 examination. I am looking forward to joining the professional training at IGNFA. I assure you of my sincere commitment to the training and public service.

In the wake of unforeseen circumstances arising due to COVID-19 pandemic, I request you to treat this case compassionately and kindly consider my submission to grant a leave for the exam duration (06.01.2021 to 18.01.2021). I will be highly obliged for this kind consideration.

Thanking You!

Ref: Letter number. 1367/NFA-2020/70.21(2018-20 course) by Additional Director ,IGNFA to DlG, Forests (RT),MoEFCC dated 24.11.2020 received via email dated 27.11.2020

Respected Sir,  
My name is Sulekha Jagarwar, Rank -77, IFS 2019 Exam. I'm writing to humbly request you to please allow me to write CSE(M) Exam 2020 which is likely to held on 8/01/2021 to 17/01/2021 while undergoing IFS probationers course 2020-22. Sir, I humbly request to be allowed to join Probationer course 2020-22, as I do not wish to take one year extension from probationer course. In this regard I would like to put forward following points.

1. I opted for exemption from 95th Foundation Course to write CSE(M) Exam 2020 as it was clearly mentioned that those who want to write CSE(M) 2020 needs to take exemption from FC. I considered that I would be allowed to appear in CSE(M) from IGNFA while undergoing training (As per GSR No. 131(E) dated February 15, 2017, provison in sub Rule 8(l) of Indian Forest Service (Probation) Rules 1968, has been omitted)
2. I opted for exemption from 95th FC to prepare for CSE(M) 2020 while undergoing professional training at IGNFA.

3. Respected sir, I have worked very hard to clear CSE preliminary examination, and I consider it to be my LAST ATTEMPT AT UPSC CSE( As I feel privileged to be part of IFS Service and don't want to waste my productive age instead prefer to learn as IFS OFFICER.

4. Sir, I am enthusiastically looking forward to join IFS probationer course 2020-22 and do NOT wish to take extension of one year.
   - One year extension will lead to SENIORITY LOSS and will lead to WASTAGE OF PRODUCTIVITY of mine for one year, I could learn a lot during this period and contribute my best to service.

5. Sir, I humbly request you to consider that One year extension do have SIGNIFICANT IMPLICATION UPON MY PERSONAL LIFE MATTERS.

6. Sir, I assure you to complete my Probation course 2020-22 to full satisfaction and assure that permitting me to appear in CSE(M) 2020 will have no implication upon my dedication for probationer Course.

7. I would like to bring to your notice that while in earlier years, the process of CS (Main) Examination used to duly finish before commencement of IFS Probationers Course, this year an extra-ordinary situation has arisen due to COVID-19 pandemic.

8. Sir, I humbly mention that other civil services (IA&AS) have been given due consideration by granting leave to appear in CSE(M) 2020.

10. There are nearly 35 candidates similarly situated in this condition who request you for humble consideration.

11. Sir, please consider that due to extra ordinary situation generated by COVID-19 the CSE(M) 2020 dates are tentative and can be cancelled as well subjected to discretion of UPSC.

Sir, I look forward for your due consideration to my humble request to allow me to appear in CSE(M) 2020 while undergoing Probationer course 2020-22. I eagerly look forward to join IFS probationer course 2020-22 and to complete it with full satisfaction of all concerned and also wish to appear in CSE(M) 2020.

Looking forward for your humble response.
