Respected Madam,

As conveyed earlier, I am Sandeep Divyajyoti Behera (IFS Rank 72), currently undergoing 93rd Foundation course at MCRHRD institute of Telangana. We were given an option in July 2018 to avail "one year extension" to join the service. However, we were not able to decide whether to avail the extension or not then. It was too early to decide due to

1. "Cadre vacancy and allocations" were not decided. Uncertainty of cadre vacancies has very high implications on career prospects.
2. During the time of registration there was no option given as- "Attending FC but Exempt from "Professional Course".
3. I feel the time given then was very little to make a decision which has got huge impact on future.
4. Last year, Officer Trainees were given extension from the professional course as well.

Thus, I now intend to take "One year Extension" to join the service in order to write "Civil Service Examination 2019". Thus I would join the service along with IFS 2019 batch in December 2019.

I am aware that I will be losing "One Year Seniority".

The "Civil Services Rules" also allows this, hence I request you to kindly grant me One year Extension from joining the Indian Forest Service Professional Course.

I am sorry for the inconvenience. Please consider my request sympathetically.

Thank you

Yours Sincerely,

Sandeep Divyajyoti Behera
