EXTRACTS OF PARAGRAPH 8.11 OF GOVERNMENT OF INDIA, MINISTRY OF PERSONNEL, PUBLIC GRIEVANCES AND PENSIONS, DEPARTMENT OF PERSONNEL AND TRAINING LETTER NO.F.18/10/91-FA(UN), DATED 20TH JUNE, 1991

" Consolidated instructions relating to Foreign Assignment of Indian Experts"

" 8.11 Applications against open Advertisement":

Government employees may apply in response to the open or public advertisement of vacancies by the International organisations and foreign governments with the prior permission of the Cadre Controlling Authority concerned. In rare cases, when the time available for submitting the application is short, an officer may send his application to the concerned agency in advance with a copy to the " Cadre Controlling Authority " and this may be confirmed or withdrawn subsequently depending on the decision of the authority. The Cadre Controlling Authority would consider each case only from the point of view of whether the officer could be spared or not - no other general considerations should be applied in taking a decision in the case. An officer may be permitted to apply in response to a public advertisement even if he has completed the permitted number of years he can spend in international assignment in his career. However, in such a case, he would have to resign or take retirement from Government service on selection. A Government employee applying for an international assignment in response to public advertisement will not be given the status of " official " nominee for the assignment. Correspondence relating to the grant of denial of permission will be between the officer concerned and the Cadre Controlling Authority / Government and later will not corresponded with the international organisation on the subject.
